Free Digital Skills/IT Sessions

A series of free sessions will be held over 6 weeks during October and November lasting 2 hours each session. There will be a taster session on Tuesday 5th September at 2.00pm in the village hall. Everyone who feels that they would benefit from these sessions are welcome to come along. The talks are designed for a group with variable knowledge and experience of using IT from nothing, to using it at work or home. The first hour is information, delivered in a very relaxed and accessible way by an interactive talk and the second hour is using our own devices for exercises and the 2 people running it come round and provide 1-to-1 help and support for all those things that don't quite work or you don't know how to do. See more details in enclosed leaflet.

The session topics can include:

- The Internet and the World Wide Web
- Updating your devices and Security
- Social networks and staying safe
- Photographs (moving from phone, deleting, sending, storing)
- Backing up and data storage
- Searching the internet, review and discussion, review of any areas as wished, AI and where it's going for day to day searching etc.

The final topics will be tailored to what is requested in Ticknall.

Ticknall Produce Show

Ticknall will hold its Produce Show on Saturday 2nd September. If this popular event is to continue, we need to have more entries from our community and we especially hope the many people who visited but did not enter last year will join in the fun and friendly rivalry.

The show is open to all residents of Ticknall and Calke and by popular request junior classes will also include the grandchildren of residents irrespective of whether they live in the villages. Please make a note in your diary and start your preparations, the classes are mainly the same as last year with just a few alterations based on 2022 experiences. Programmes and entry forms will be circulated in August. Come and join us it's a great day of light-hearted competition and community enjoyment.

St. George's Church – Flower Festival

St George's Church held a very successful one day Coronation Flower Festival on May 1st. We served beef baps, cakes tea and coffee. We could have sold double the amount of beef baps and we nearly ran out of cakes. It was a lovely occasion and our visitors enjoyed their visit. Overheard in the village hall grounds was the comment "you must go to the church, it's wonderful". Our flower arrangers did a marvellous job as did all our helpers. We made a net profit of £800. Thank you to everyone who contributed and visited.
